GUEST ACCOMMODATION:

Guest accommodations are in our West apartments and include service: linens, towels, basic kitchen items and a light weekly cleaning. We have a very limited number of 1 bedroom units and they are available on a first come, first served basis.

All units are fully furnished including a single bed, each in a private room, full kitchen and living room with cable television. Each kitchen is equipped with local phone with voice mail, and our entire complex has high speed wireless internet throughout. Four Bedroom units include two full washrooms.

PLEASE NOTE: A number of units are held for this group, the cut off date for this block booking is **May 1, 2012**. After this cut-off date, any held, but unreserved rooms will be released to the general public and will be available on a first come, first served basis.

Registrants requiring accommodation should book directly with Residence Services. Just let us know you are with the Canadian Transportation Research Forum!
